

xdeck's digital accelerator offers **ambitious B2B tech startups individualized and equity-free support** in areas such as B2B sales, fundraising, hiring, and product development - facilitated by our strong **network of partner firms**

Our USP: the xdeck platform

- The xdeck platform consists of our entrepreneurial community, (pre-)seed accelerator, and (pre-)seed venture capital fund
- xdeck accelerator is operational since Q1/2020
 - Launched by founders and steered by entrepreneurial practitioners
 - No equity, no fees for startups, fully digital
 - Individualized support, no fixed curriculum
 - Strong partner companies, providing their knowhow and networks whenever needed

Vision: Platform for early-stage European tech startups positively shaping a better tomorrow.
