

xdeck.ventures

xdeck ventures invests in **European B2B software startups** in the **pre-seed and seed stages**, leveraging the **operational power** and **founder community** of our platform

Our USP: the xdeck platform

- The xdeck platform consists of our entrepreneurial community, (pre-)seed accelerator, and (pre-)seed venture capital fund
- xdeck.ventures leverages this platform to
 - get access to competitive funding rounds
 - reduce default risk due to intense due diligence during acceleration
 - provide superior operational support whenever founders need it
- Platform operational since Q2/2022, investing (in stealth-mode) since Q3/2021
